21.5" Disposable Hand Sanitizer kiosk		
model no.		OK-SK215W-SANITIZER-OS5.1-RK3288
panel	Panel size	21.5"
	Active Display Area	473(H)×296(V)
	display model	16:09
	Resolution	1920×1080
	Brightness	250cd/m²
	Contrast Ratio	1400:1
	Color depth	16.7M
	Viewing Angle	178° / 178°
	reponse time	4ms
	Life	50000hrs
Hand sanitizer parameters	working principle	Infrared sensor
	capacity	1L
	Pump head	Three options of foam pump, drip pump and spray pump
	Service life	30000times
power	Input voltage	AC100-240V
	speaker	2×5W(8Ω)
	power	100W
environment	Operating temperature / humidity	0℃ ~50℃ /20%~80%
	Storage temperature / humidity	-10℃ ~60℃ /10~90%
shape	Surface material	Tempered glass
	Frame shape	High-grade aluminum profile frame
	shell material	Full metal sheet metal shell
	Exterior color	White (customizable)
	interface	2 USB ports (other functions can be selected)
	Installation method	Vertical /wall-mounted
	physical dimension	Length * Height * Thickness: 380×1070×112.7mm

Internal System:
 Android 5.1
 RK 3288 (2G-8G)
